The Honorable Harvey Peeler  
South Carolina State Senate  
213 Gressette Building  
Columbia, SC 29201

Senator Peeler,

My hope is that you, your family and staff are staying safe and healthy during these pandemic times. Circa 1939 - 1940 the South Carolina Democratic Party purchased a statue of Benjamin Ryan Tillman better known as "Pitchfork Ben Tillman". Currently, this statue is located on the State House grounds here in Columbia.

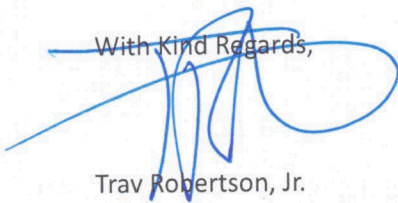

On behalf of the South Carolina Democratic Party, we would like to formally ask the State of South Carolina to return our statue. Additionally we respectfully request the State return any other statues paid for by the South Carolina Democratic Party.

If you give us the appropriate date and time, we will make the arrangements for collecting and removing the Tillman statue.

The time in which we live demands that we be on the right side of history.

Thank you in advance for your assistance facilitating this request and the return of our property. If I can answer any further questions, please do not hesitate to call me directly.

With Kind Regards,

Trav Robertson, Jr.
